Summary

Enthusiastic and driven professional with a passion for web development, I recently completed an intensive bootcamp specializing in HTML, CSS, and JavaScript. During the program, I gained hands-on experience in building responsive, user-friendly websites and web applications. I honed my skills in front-end development, becoming proficient in crafting clean and efficient HTML/CSS code, as well as enhancing user interactivity with JavaScript. My dedication to continuous learning and my ability to adapt quickly make me a valuable asset in the ever-evolving world of web development. I am now excited to apply my knowledge and creativity to contribute to dynamic projects and create exceptional online experiencesreplicating and documenting issues to aid in their resolution. With excellent communication skills and a deep understanding of the importance of QA in the gaming industry, I am ready to bring my expertise to a dynamic team dedicated to creating exceptional gaming experiences.
